## Vision

At St Bonaventure's Catholic Primary School we strive to be the best we can, guided by the light of Christ. Our children have open hearts and minds, a sense of awe and wonder and a love for each other, themselves and God.

We want our children to look smart when at school and feel proud to wear their school uniform.

## Aims

This policy aims to:

- Clarify our expectations for school uniform.
- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.

## Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include age, sex, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender.
- Make sure that our uniform costs the same for all pupils.
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back).
- Allow pupils to request changes to swimwear for religious reasons or if they are experiencing discomfort related to their sex, gender or gender reassignment.
- Allow pupils to wear headscarves and/or other religious garments.
- Allow pupils with sensory or physical needs to make reasonable adaptations to their uniform depending on their specific needs.
- Allow for reasonable adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with the head teacher who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis.

### Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (items that have to have a school logo) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

Therefore, we will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible.
- Considering cheaper alternatives to school-branded items.
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes.
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller.
- Avoiding different uniform requirements for different year/class/house groups.
- Avoiding different uniform requirements for extra-curricular activities.
- Making sure that arrangements are in place for parents to acquire second-hand uniform items.
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes.
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.

Ongoing breaches of our uniform policy will be dealt with by the head teacher.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

#### Governors:

The governing board will review this policy and make sure that it:

- Is appropriate for our school's context.
- Is implemented fairly across the school.
- Takes into account the views of parents and pupils.
- Offers a uniform that is appropriate, practical and safe for all pupils.

The board will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts and by re-tendering contracts.

#### **Monitoring arrangements**

This policy will be reviewed every two years by the head teacher. At every review, it will be approved by the full governing body.
